"Cash for Caps" is a Swiss Valley Farms program that gives participating schools cash for collecting caps from Swiss Valley Farms milk and orange juice gallon jugs. Each cap is worth a nickel.

Once signed up to participate, students within the school systems collect the qualifying Swiss Valley Farms caps, bring them to school and put them in specially marked "Cash for Caps" bags. Swiss Valley Farms redeems the caps and reimburses the schools 5 cents for every cap. Schools can use the money for anything they want!

**Collect 5¢ for each Swiss Valley Farms milk and orange juice cap.**
