BABY SWISS *the softer side*

About Our Baby Swiss Cheese

Baby Swiss, which is manufactured at both our Luana, IA and Shullsburg, WI facilities, is characterized by its numerous small, shiny eyes and its exceptionally creamy texture. Baby Swiss is an excellent choice for those who prefer a mild-flavored cheese.

Natural

**No Artificial
Colors, Flavors
or Preservatives**

**Made With Milk From
Cows Not Treated
With r-BST***

**Grass-Fed
Variety
Available**

Applications

Baby Swiss adds flavor to a variety of deli sandwiches and wraps. It can be melted over vegetables or in a grilled cheese sandwich. Because of its mild flavor, it's a favorite for a party tray paired with nuts, fruits and crackers.

Why Swiss Valley Farms?

Farmer-Owned Heritage

As a farmer-owned cooperative, we have full control of our milk supply. You can trust that we will maintain consistency in the quality cheeses we produce.

Industry Veteran

With over 50 years of experience in the dairy industry, we've developed a reputation as a quality, reliable supplier of cheese. Additionally, we employ some of the best cheesemakers in the industry and it is their expertise that allows us to continually meet the high standards of quality our customers have come to expect.

Award-Winning Cheeses

We are a recognized quality leader, and you don't have to take our word for it -- Swiss Valley Farms cheeses have been recognized at state, national and international contests for years. We are constantly updating our ever-growing library of awards. You can view them at <http://www.swissvalley.com/business/awards.cfm>.

*The FDA has determined that no significant difference has been shown between milk from rBST-treated cows and non-rBST-treated cows.
